OFFICE OF SUPERINTENDENT

JOHN HOUSTON
Superintendent

Members of the Senior Class:

Despite the multi-session day imposed upon you during the last three years, you have given extra effort and greater dedication to your school to compensate for such a handicap. I regret that the new high school with all its facilities was not available sooner. Perhaps you will have the opportunity to make use of it as a community center.

I commend you on your splendid record of the past three years. I am sure that your class will represent Medford High School very well in the future.

Dedication

It is with pride and sincere pleasure that the Medford High School Class of 1970 dedicates its yearbook to Mr. Henry D. Bucci. For the past thirty-six years, twenty-nine of which have been served at Medford High School, Mr. Bucci has performed outstanding services in fulfilling the educational needs of our community; it could be well said that he epitomizes the qualities of patience, wisdom, sympathy, and understanding which are inherent in the term "professional schoolman."

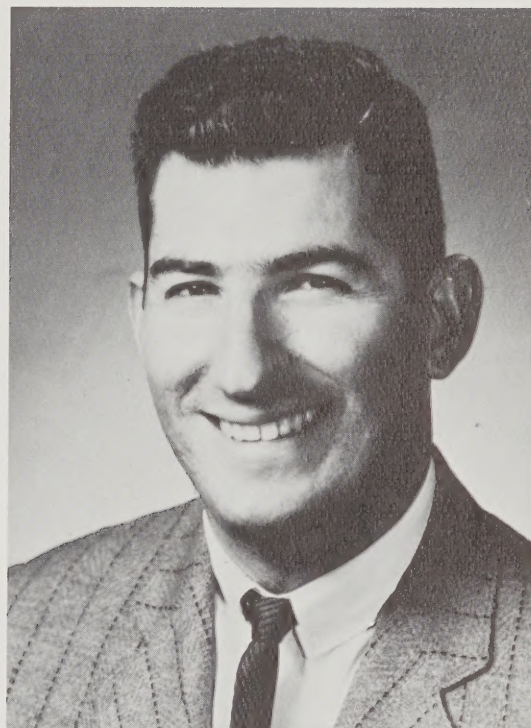

Following his graduation from Northeastern University with a B.B.A. degree, Mr. Bucci received appointment to the faculty of the Roberts Junior High School in 1934. In 1941 he transferred to the Business Department at Medford High School. During the decade of the 1940's, Mr. Bucci served in addition to his normal teaching duties in the following capacities: teacher of business subjects at the Medford Evening School, temporary Principal of the Medford Evening School, Faculty Manager of Athletics, and Assistant Director of Placement. He was appointed to his present position of Director of Placement in June of 1950. In addition to the above positions, Mr. Bucci has also served for many years as a member of the Board of Commissioners of the Medford Park Department.

Therefore, because of the high esteem in which he is held by the many present and former students who have come under direct exposure to his sincere interest and expertise in counselling and placement services as well as for the high regard in which he is held by his colleagues — because of this and because of his strong interests and enthusiasms in all facets of Medford High School, indeed in all facets of Medford itself, it is fitting that we, in token appreciation of his efforts, dedicate our yearbook to Mr. Henry D. Bucci.

Club Advisors

MRS. MARY LOUISE STRAIN

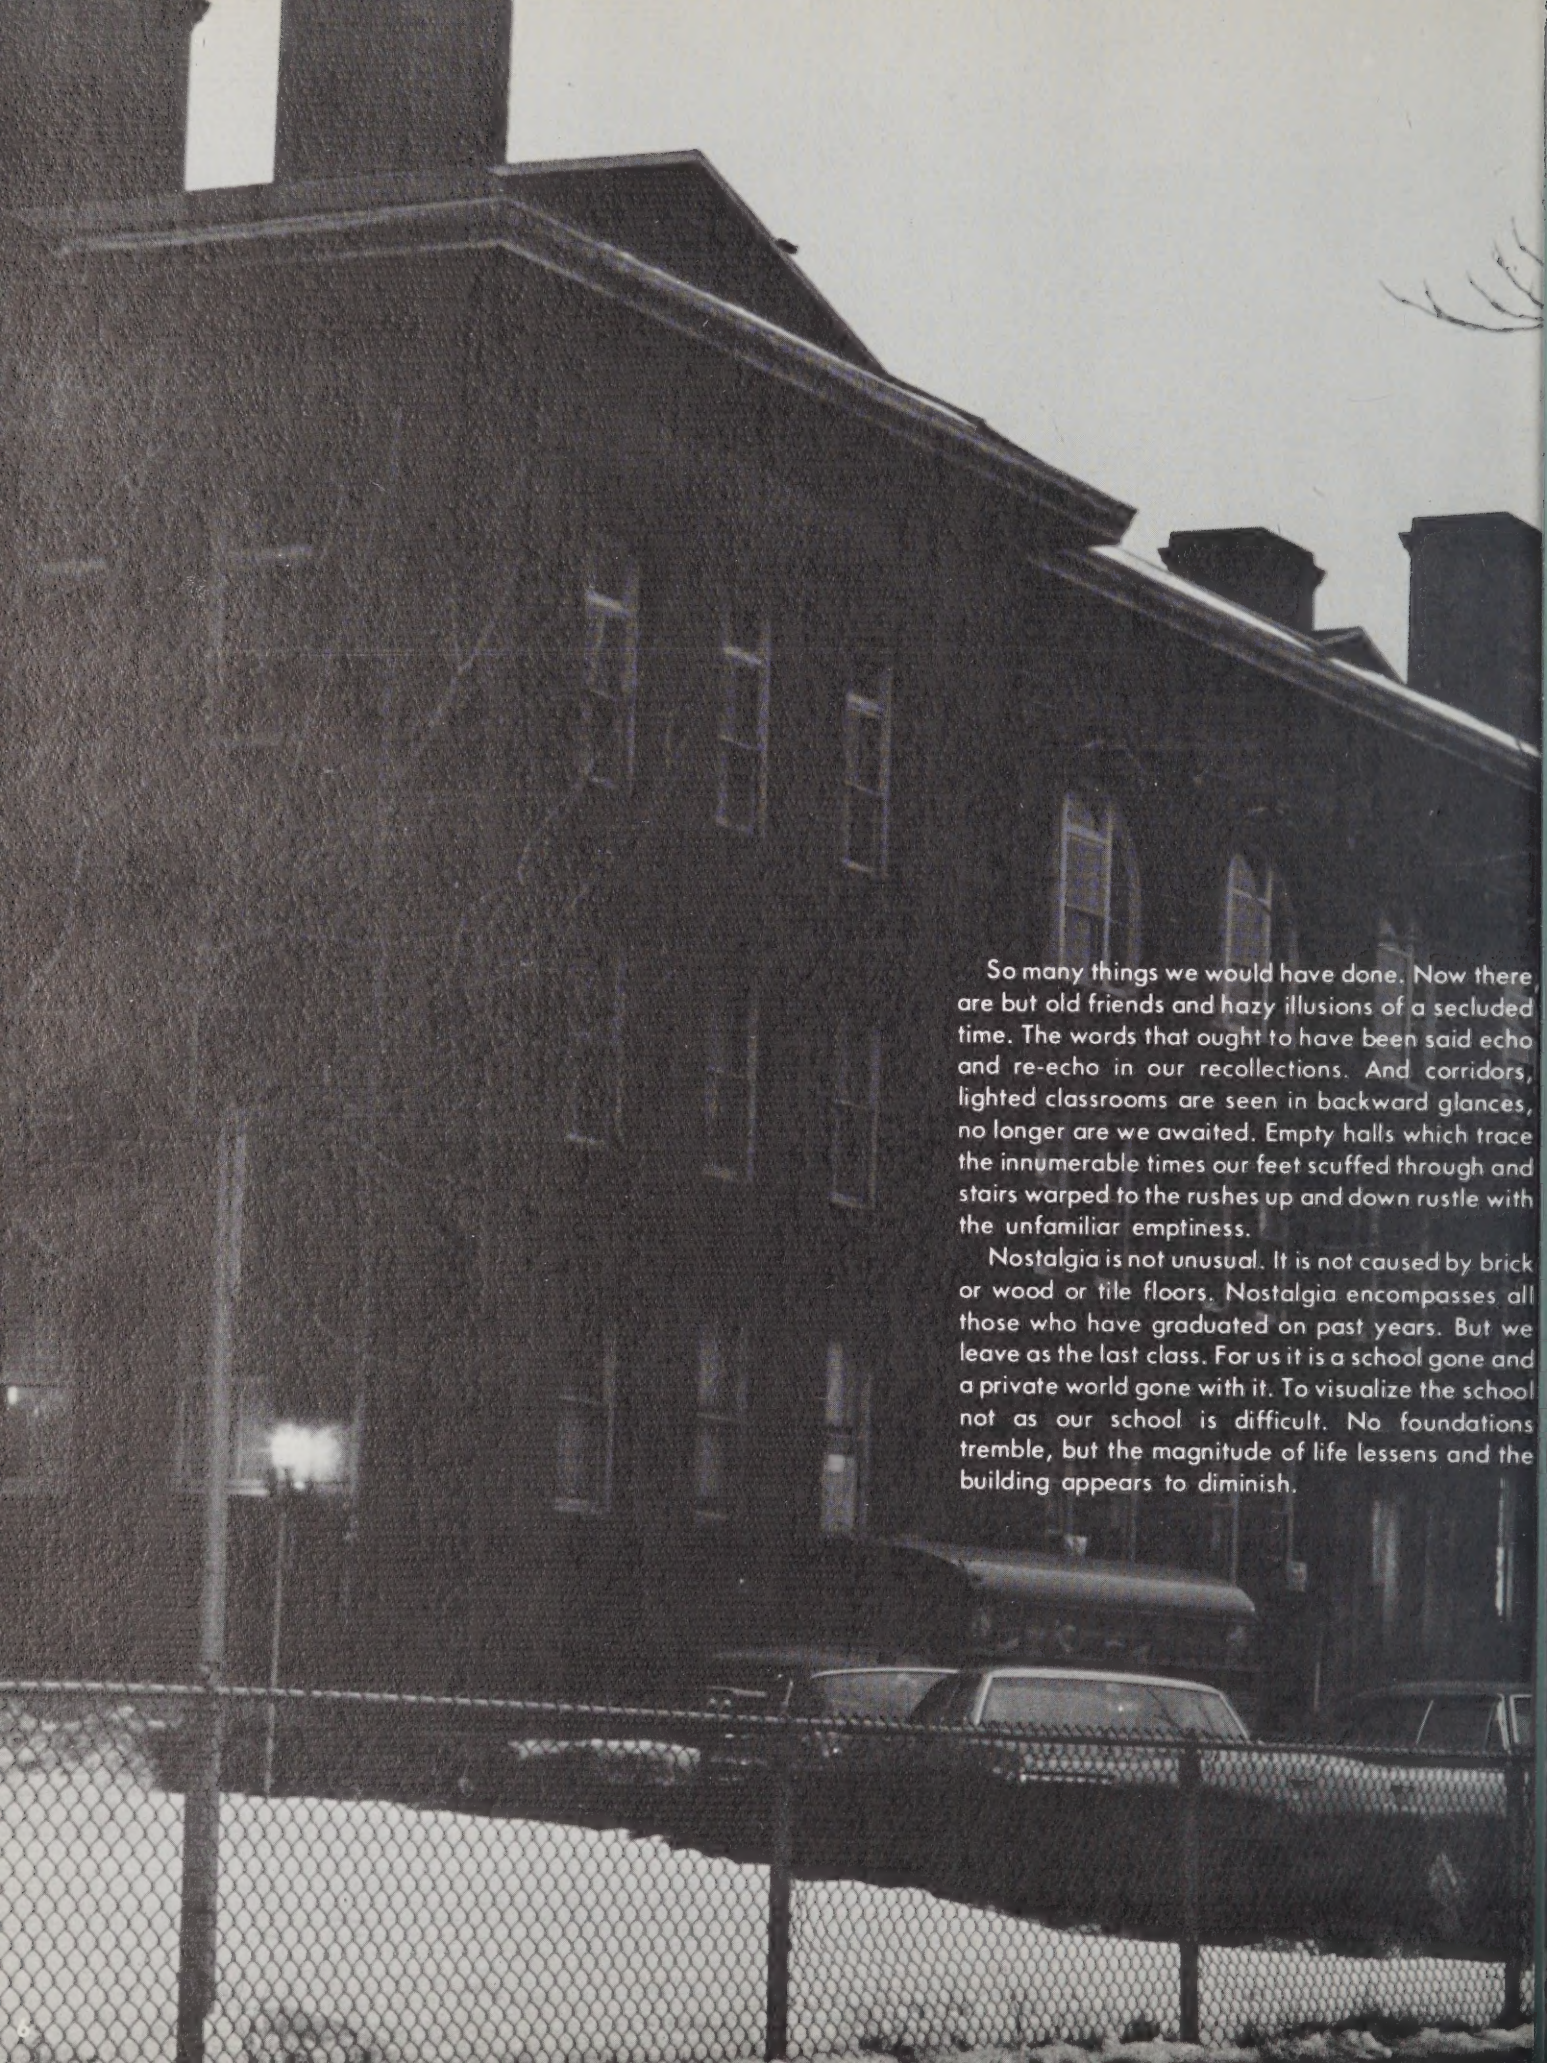

MR. JOHN F. PITZI

MR. GEORGE BOUDREAU

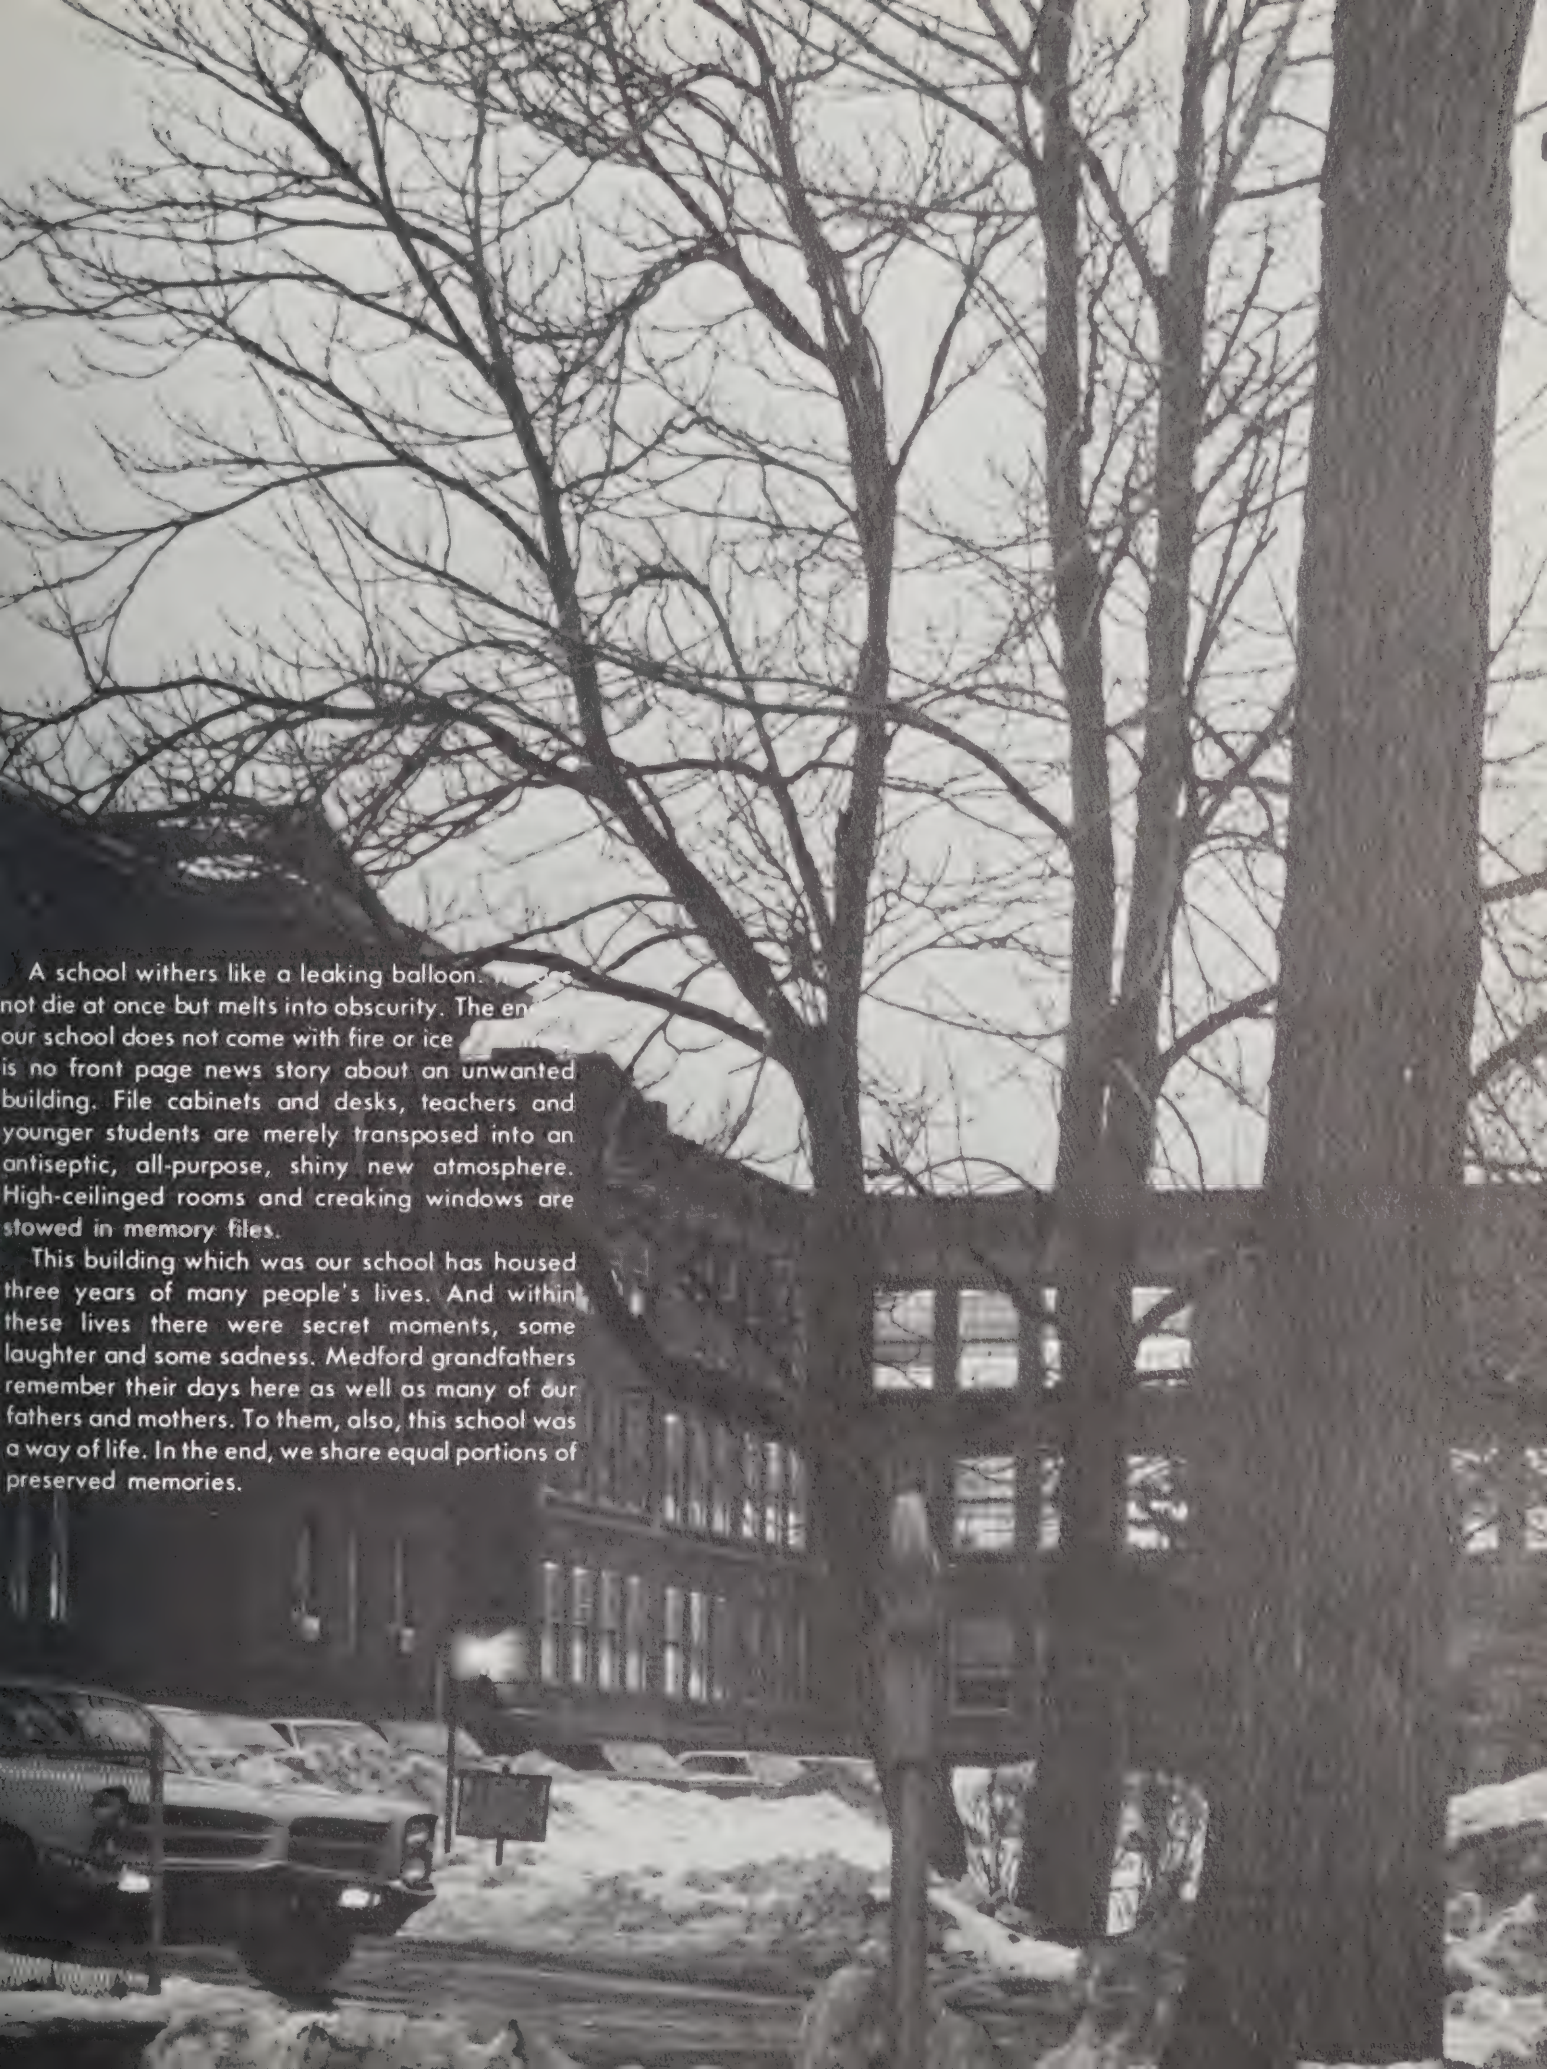

The activities of our class of 1970 would not have gone smoothly without the fine efforts of our class advisors, Mrs. Strain, Mr. Boudreau, and Mr. Pitzi. Throughout our three years at MHS they have been the key factor to the success of all our social events, while projecting an atmosphere of unity and friendship. It was this element of friendship that prevailed among classmates of 1970, enabling us to enjoy our functions much more.

The role of class advisor is very demanding. It calls for a great expenditure of time and energy as well as a capacity for motivating an entire class. Mrs. Strain, Mr. Boudreau, and Mr. Pitzi all have contributed greatly in these areas. We wish to express our deep appreciation for their efforts.

So many things we would have done. Now there are but old friends and hazy illusions of a secluded time. The words that ought to have been said echo and re-echo in our recollections. And corridors, lighted classrooms are seen in backward glances, no longer are we awaited. Empty halls which trace the innumerable times our feet scuffed through and stairs warped to the rushes up and down rustle with the unfamiliar emptiness.

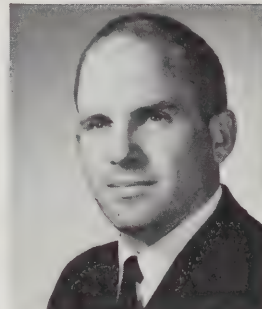

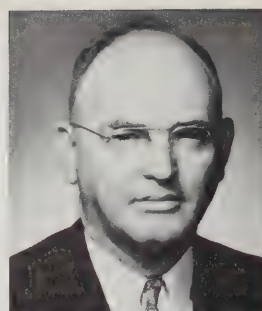

Nostalgia is not unusual. It is not caused by brick or wood or tile floors. Nostalgia encompasses all those who have graduated on past years. But we leave as the last class. For us it is a school gone and a private world gone with it. To visualize the school not as our school is difficult. No foundations tremble, but the magnitude of life lessens and the building appears to diminish.

A school withers like a leaking balloon. It does not die at once but melts into obscurity. The end of our school does not come with fire or ice. There is no front page news story about an unwanted building. File cabinets and desks, teachers and younger students are merely transposed into an antiseptic, all-purpose, shiny new atmosphere. High-ceilinged rooms and creaking windows are stowed in memory files.

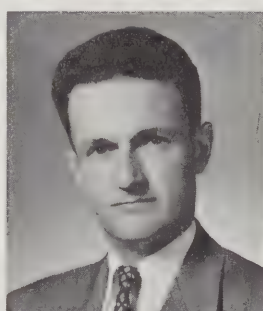

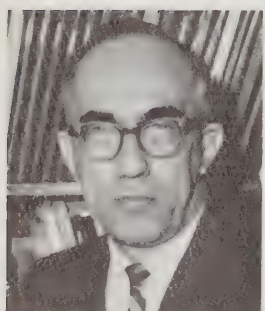

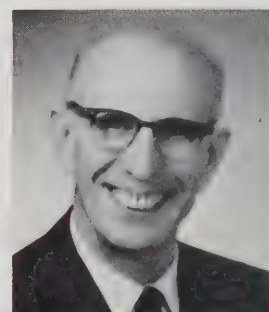

This building which was our school has housed three years of many people's lives. And within these lives there were secret moments, some laughter and some sadness. Medford grandfathers remember their days here as well as many of our fathers and mothers. To them, also, this school was a way of life. In the end, we share equal portions of preserved memories.

Salute To The Class Of 1970!

"Auld Lang Syne," dear Friends of Mine:

You represent the last academic survivors of five years of a multi-session school day at Medford High School. This has been quite different from those experiences known by your alumni parents, your alumni grandparents, and, in some instances, your alumni great-grandparents. You are the last Class to graduate from the original, historical facilities fronting Forest Street, but a few youthful strides from Medford square, the business core of central community activity.

Since your enrollment as Sophomores in the fall of 1967, you have adjusted admirably to all academic, social, and athletic challenges potentially disruptive to other than a normal school schedule. It is, then, proper that I note now that your scholastic achievements, your participation in inter-scholastic athletic competition, your personal involvement in extra-curricular activities, and your varied social calendars, however adversely affecting you throughout your matriculation at Medford High School, were not serious deterrents to you in your scholarly desires and personal pluck to attain those goals you sought to seek, but, rather, they attest to your remarkable ability and resiliency to meet and overcome the many problems, individually and collectively, that were identified with the imposition of a multi-session school day.

Whatever individual problems you may have encountered in these far less than normal circumstances were more than out-weighed by your outstanding commendable Class effort, attitude, and cooperation. Far more important, in my humble opinion, was that you met your problems, however insurmountable they may have seemed to each of you at any time during your three years of enrollment, resolutely and with a dignity and maturity beyond your years, **and** you did so without simpering complaint, without viable protest, and without apology!

Certainly you have reassured me in the choice of my career, and you have proved conclusively that there can be little wonder why I have always loved the young!

You must know, of course, as members of the Class of 1970, that you represent all the "Auld Lang Syne's" of former Medford High School graduating classes threading back to the first Commencement in 1896. Further, you are the high school link between the perils of the 1960's and the promise of the 1970's. And, it is your further distinction

to enjoy the privilege of dropping the tattered banner of one decade and grasping the fresh, resplendent banner of the second.

It very well may be that you, the Class of 1970, might wish to have **the** first 5th high school reunion in the new Medford High School facilities off Winthrop Street. Then, perhaps, some of us who love you so may still be around to join with you in several encores of a spirited "Auld Lang Syne!"

I have but two suggestions to make to you fine young people, and one is that in the years ahead you look back on the memories of these difficult but happy days in the reverie of leisure only, else you may be captive of the tyrant Time, and your future then would be most certainly in jeopardy, and, secondly, never be unmindful that your patient parents were understanding radar instruments guiding you through the turbulence of your troubled times.

Be good, be kind, be true, and may God bless the lot of you. Good luck, good health, and happiness to each and everyone!

Sincerely yours,
William A. McCormack, Headmaster

MEDFORD 12

BOSTON LATIN 8

The Mustangs opened their 1969 football season against Boston Latin. John Aquino returned the second half kickoff 85 yards to open the scoring. In the fourth quarter with 57 seconds left Aquino passed to Paul McGurin for the winning touchdown. Mike Kelly rushed for 30 yards in 6 carries. The defensive unit played superbly allowing eight points in sixty-three plays. Defensive stars were Mike DeLeo, Kevin Donoghue and Steve Smith.

MEDFORD 32

CHELSEA 0

The offense put on an awesome show of scoring power, with Mike Kelly rushing for 147 yards and a 72 yard touchdown all in the first half. Fred Carbone scored two touchdowns, the first on a 34 yard run and the second on a 49 yard pass from John Aquino. Aquino also scored on a 24 yard sweep while Paul McGurin intercepted a Chelsea aerial and took it in for the score. The defense was immense, allowing a total offense of only 75 yards. The Mustang defense was led by Maury Carroll and Dan DeCoursey.

MEDFORD 21

SOMERVILLE 20

In their strongest game of the season the Mustangs upset Somerville by one point. The victory was truly a team effort with many strong defensive plays to keep the Mustangs in the game. Medford scored first on a 15 yard sweep by Mike Kelly. Somerville took the lead and in the fourth quarter John Aquino took the opening kickoff and ran 81 yards for a score. Aquino passed to Paul McGurin for the tying conversion. With the game in its dying moments and the Mustangs trailing by six points, Mike Kelly took a pitchout and ran 4 yards for the tying score. Lou Manderini came off the bench to kick the extra point to win this action-packed game.

MEDFORD 32**NORTH QUINCY 14**

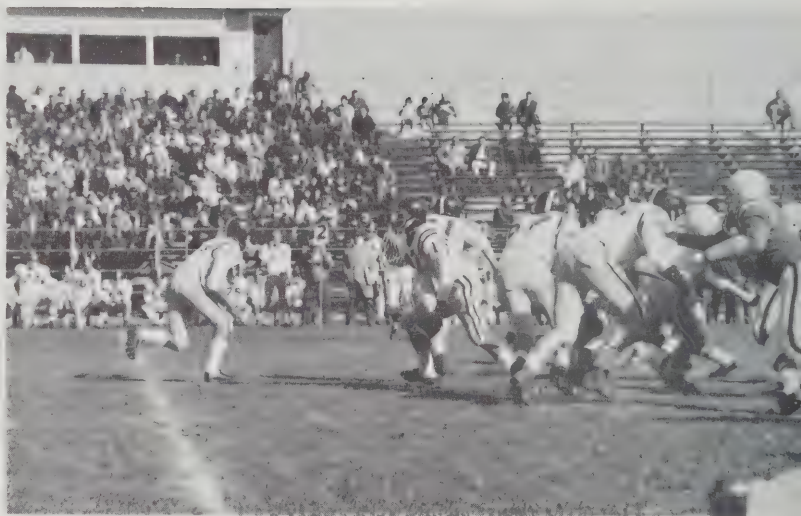

The Mustangs remained undefeated after four games with an impressive offensive show of scoring power. The defense again played a strong game, keeping the Red Raiders scoreless in the first three quarters. John Aquino led the offense by scoring two touchdowns, one of 48 yards, and the other of 79 yards. He also threw for two touchdowns. Bob Faucette was on the scoring end of the first, and Paul McGurin caught a 45 yard "bomb" for the second touchdown. Fred Carbone scored on a thirty yard run for the final score. Other stars were Bob DeLong, Kevin Donoghue, and co-captain Dan DeCoursey.

MEDFORD 18**EVERETT 20**

The Mustangs winning streak was snapped at four, when Everett defeated Medford by a score of 20 to 18. Medford stepped out to an 18 point lead. John Aquino scored on a seventy yard return of a punt. Mitch DeLeo took a screen pass from Aquino and went 40 yards for the score. The Mustangs final score came on a one yard sneak between left guard and center by John Aquino. From then on, Everett took control to win the game by a slim two points. Mike Kelly rushed for 103 yards. Outstanding for Medford were Bob Tomolillo, Greg Sapochetti and Maury Carroll.

MEDFORD 16**NEWTON 35**

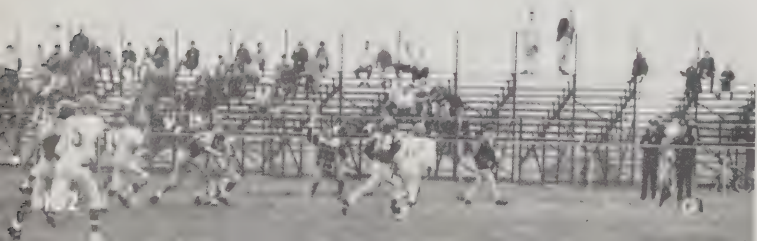

The Mustangs were rolled over by a well-oiled Newton machine by a score of 35 to 16. Although down from early in the game, Medford refused to quit. Mike Kelly scored on a two yard run to cap a 69 yard drive. John Aquino passed to Warren Mootrey for Medford's final score. The Mustang defense was unable to stop Newton's potent running game, as they rushed for 220 yards. Mitch DeLeo played well in a losing effort, catching five passes.

**MEDFORD 22****REVERE 12**

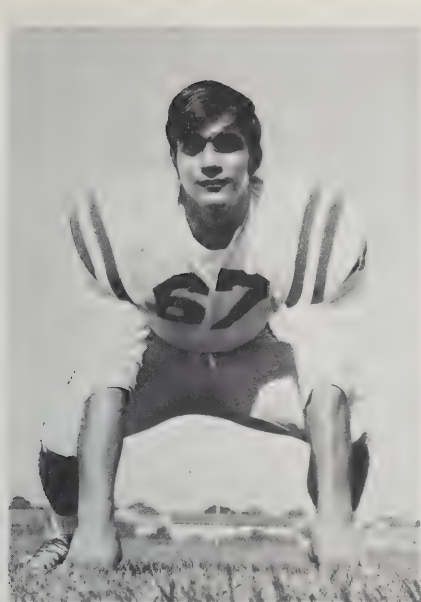

The Mustangs snapped a two game losing streak by defeating a fired up Revere eleven. The defensive unit played one of their finest games of the season, allowing only 126 yards rushing by a strong running team. Steve Smith was outstanding at middle guard for Medford. Mitch DeLeo intercepted a pass as the secondary continued to play fine football. John Aquino again was spectacular, scoring twice on runs of 49 and 5 yards. The offense regained much of its potency of previous games. Co-Captain Dan DeCoursey caught two John Aquino passes for touchdowns. Fred Carbone rushed for key yardage in the second half. The victory was a fine team effort to put the Mustangs back on the winning road.

MEDFORD 0**QUINCY 26**

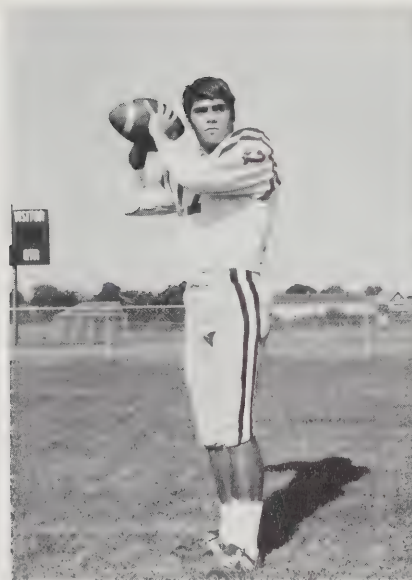

On a muddy and rain soaked field the Mustangs could do nothing right. Medford fumbled four times and under a strong pass rush by the big Quincy linemen, Medford was intercepted four times. Medford's total offense was only 17 yards. Fred Carbone and Mike DeLeo each intercepted a Quincy pass. For DeLeo it was his fourth interception of the season. For the second year in a row, Quincy had been responsible for the low point of the Medford season.

MALDEN 26

Unable to hit the scoreboard until late in the fourth quarter the Mustangs bowed to the G.B.L. champs, 26-6, in the annual Turkey Day classic. Failing to take advantage of several first half opportunities, the Mustangs left the field at intermission trailing 8-0. In the second half the Tornadoes of Malden High picked up tremendous momentum and pushed over three scores to insure its victory. Medford's only score came on a four yard power drive by junior Warren Mootrey.

Medford received steady offensive performances from John Aquino, Mike Kelley, and Mitch DeLeo while defensively Steve Smith, Fred Carbone, Dan DeCoursey, and Greg Sapochetti played well. The highlight of Medford's offensive thrust was when DeLeo took a Malden kick-off at his own 16-yard line and handed off to Aquino who sprinted 50 yards down the right sidelines, setting up Medford's only score of the day.

This Malden win ended Medford's two-game winning streak in the Thanksgiving series. As disappointing as the finale was, the Mustangs nevertheless did achieve a winning season. In the words of Coach McKinnon, "This was the best group of seniors I've ever had. If every senior class had the attitude of this one, we wouldn't have to worry about winning seasons."

Tri-Captains: Mike Palaza, Bill Deehan, Jeff Stanwood,
Coach Francis Pelosi.

Highlights 1970

MEDFORD 1

Aided by a strong defensive effort the Mustang Booters were able to edge out Brockton 1-0 in the league opener. Snook Santos converted a pass from Tri-Captain Jeff Stanwood to set the margin with only three minutes left to play. At the other end of the field Tri-Captain Bill Deehan turned away nine shots from the net as fullbacks Joe Cullen, Marc Cutler, and Rick Shaffer relieved much pressure and kept most of the play at mid-field. Right wing Pat Vitale did a fine job of ball control as he kept possession and play deep in enemy territory.

MEDFORD 1

Drawing first blood could best describe Medford's play as they defeated the Shoe City for the second time by a score of 1-0. Wayne Vienneau popped a short shot into the left corner at 4:45 of the opening period on passes from Art Santos and Hugo Abecassis. Following the score the game developed into a penalty filled battle from which three Medford players were removed. Medford not only held the edge in score but also in penalties, 15-7.

This was the second game that the Blue and White played without the services of Tri-Captain Bill Deehan who broke his hand for the second time in as many months. Rick Shaffer filled the nets and turned back 15 Brockton shots as the booters won their fourth in a row.

MEDFORD 3

After losing to a sharp Newton team 2-0 the soccer team put together a complete team effort and unseated first place Brookline 3-1 at Playstead Park. Trailing 1-0 as the second half began the Soccer men evened the score as Snook Santos found an opening in the Brookline defense and booted the ball home for the equalizer. Santos scored again while the Mustangs continued to apply pressure on the Brookline goal. Left wing Tom Convery put the game on ice with his rocket from 25 yards out.

The halfback line of Tri-Captains Mike Palaza and Jeff Stanwood, Marc Cutler and Dennis Stanton contained the Brookline offense as Rick Shaffer stopped 12 shots in the nets.

This was the soccer team's finest game of the season and was a tribute to first year varsity coach Mr. Pelosi as his team bounced back to win after losing 1-0 at intermission.

MEDFORD 1

Again the Mustangs brought the game down to the wire and squeaked out another 1-0 victory over a stubborn Newton South team to finish the season. Mike Palaza heaved a throw into Snook Santos after the two teams had battled scorelessly for 45 minutes. Santos then toed a pass to Hugo Abecassis and Hugo muscled the ball through the Black and Orange goalie for the winning score. Led by Tri-Captains Mike Palaza and Jeff Stanwood the booters again showed their determination as they put together a team effort in the second half. Fullbacks Lee Kelfer, Paul O'Toole, and Joe Cullen were able to keep the ball out of the penalty area and the Mustangs out of danger.

This final game of the season was coached by Francis Pelosi, but had been won for "Bud" Stillman. The season, as a whole was a good one. The Booters finished in second place with a league record of 7 wins and 3 losses; their twenty-ninth winning season in a row. Coach Pelosi had excellent field generals in Stanwood, Palaza, and Deehan, but had put together a team on a shoestring. The team played hard to win for Mr. Pelosi and continued in Medford's winning tradition.

The Medford Mustang Harriers ended their season in the newly-formed Greater Boston Cross Country League by placing in third position behind league leader Malden High and runner-up North Quincy. Medford recorded five wins and two losses.

Captain Martin Murphy was outstanding during the season, being defeated only once, and established the course record of 12:36 for the 2.4 mile distance at the Playstead Park course, where all league meets were held this year.

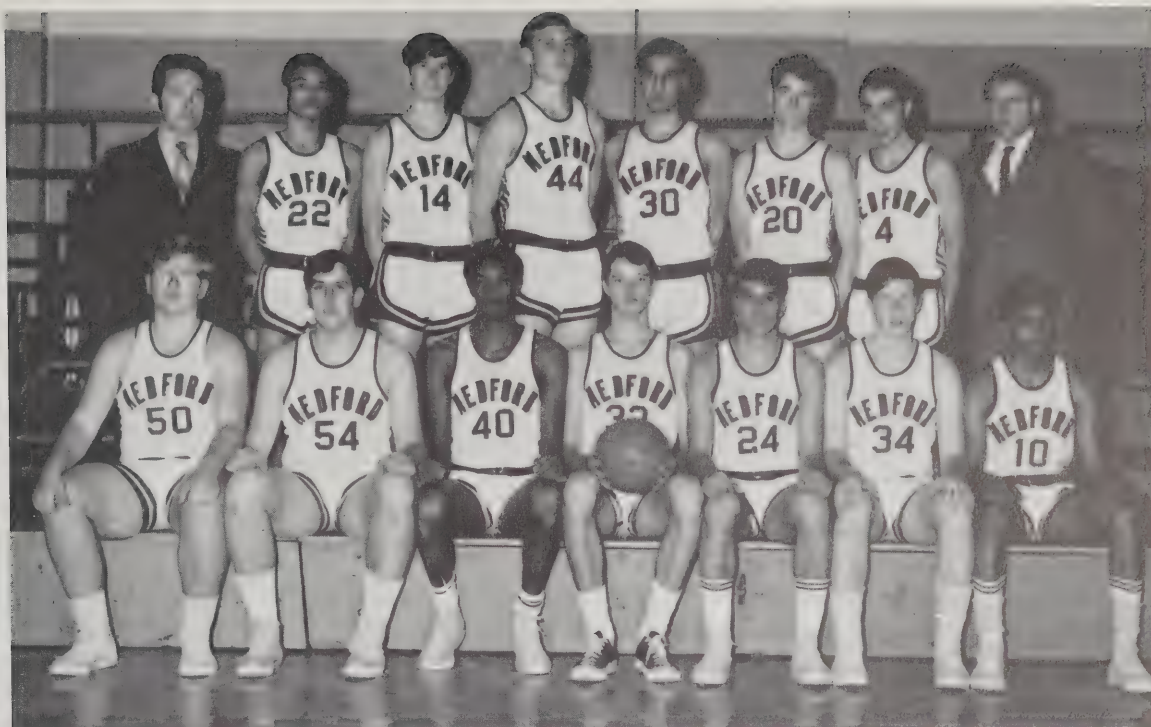

All meets will be held at Medford again next year with the exception of two meets which will be held at Quincy. Captain-Elect Frank Pilleri will lead the team which will suffer the loss of seven lettermen who will be graduated, leaving the team with a nucleus of three lettermen and the hopeful return of ten runners from the JV squad.

Basketball

With the first half of the 1970 Basketball season over the Mustangs are in second place in the G.B.L. with a record of 7 wins and 3 losses. The Mustangs are a veteran team with many seniors returning from last year's team. The prospects for being eligible to play in the Tech Tournament look very good at this point. Captain Bill Deehan leads the Medford Hoopstars in scoring with a 20 point per game average. Center Reggie Graham has been outstanding in the pivot for the Mustangs. Lou DiDonna adds his speed and experience up front. Guards Tom Ryser and Barry Latham are the spark plugs of the offense. Jim Fyler has been great in the role of sixth man. Every man on the team has the determination as well as the desire to win the Greater Boston League Championship for Medford High.

Hockey

As the '70 Blue and White goes to press, the Mustang hockey team is hopeful for a berth in the state tournament as they go into the Malden game. Led by co-captains Jim Harris and Art Santos, the icemen have compiled a 6-2-1 record and have outscored their opponents 47-20. Medford's scoring has been pretty well spread around. Sophomore Ed Hanlon leads all scorers with 11 goals and 5 assists while classmate Chris Traverse has 9 goals and 1 assist. Santos is the leading playmaker with 8 assists. Following this threesome are defensemen Steve Devoe, Maury Carrol, Jim Harris, and Paul Quinn.

The defense is spearheaded by Dave Reardon, Paul O'Toole, and Steve Devoe. Paul Lydon and Sophomore Jackie Lee have shared the brunt of the netminding and have been backed up by Barry Fitzgerald. Lydon and Fitzgerald have each registered one shutout each.

The Mustangs have played some exciting hockey and with the addition of league playoffs, this year should see another winning Medford team.

Indoor Track

As the yearbook goes to press, the Mustangs occupy second place in the North Shore indoor Track League standings with a record of 4 wins and 1 loss. Medford's wins have been registered against Salem, Haverhill, Lowell, and St. John's, while the one loss was suffered at the hands of defending champions Andover. Co-captained by Mike Kelly and Gerry Irving, the Mustang's most consistent scorers have been Pete Sabia in the high hurdles and high jump, John Aquino in the dashes, and Marty Murphy in the mile. Making valuable contributions have been Mark Edmundson, Jeff Stanwood, Wayne Ruggiero, and Marc Cutler.

One of the highlights of the season came in the State Meet held at the Boston Garden in January. Outstanding efforts were recorded by John Aquino — second in the 50 yard dash; Martin Mauphy — fourth in the mile; and Pete Sabia — fourth in the 45 yard hurdle. Led by first year coach Lou D'Angelis and assistant Maynard Saffredini, the Medford High School track team of 1970 seems destined to maintain Medford's tradition of winning seasons.

Working with a newly written Constitution, the Student Council of 1969-1970 was able to operate efficiently and coherently. Under the new system, six delegates from each class were elected to represent the students. Also, the four officers were elected by the entire student body rather than the Student Council. New permanent committees were formed to handle the chores of intra-club relations, raising funds, and forming by-laws.

Some of the problems that were facing the newly organized Council were the question of dress, guidance improvements, and club coordinations. Problems such as these and many others will face future Student Councils at the new high school, but hopefully the progress made this year will help pave the way for a strong Student Government.

The primary function of the Blue and White is to compile and edit a lasting record of the activities of the students of Medford High School. Through the year the staff is busy assimilating the humorous and serious aspects which make the life of a high school student something to be remembered. The staff has spent many hours both in and out of school preparing the book of memories which you now read.

We are deeply indebted to Mr. James Sweeney and Robert Tomolillo, John Bogis, and Joanne Patterson, our editors, who deserve unlimited credit. Without their relentless efforts, the yearbook of 1970 would not be such an outstanding memory of our high school years.

Cheerleaders

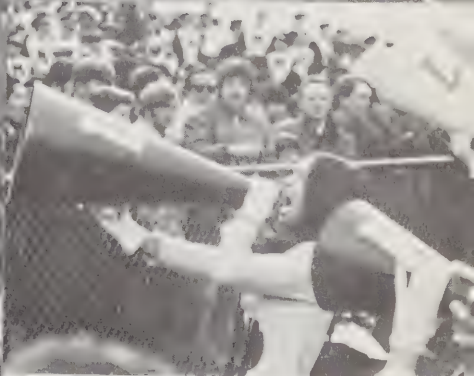

MR. VALERIANI

To become a member of the Medford High School Cheerleaders is probably one of the most competitive activities at Medford High School. These girls practice several times each week from April of their junior year until the completion of their senior year. Academic achievement is almost as important as physical coordination to a member of our cheering squad. Head cheerleader Margaret Valdario and her two co-heads, Kathleen Tracy and Elaine Zaccagnini, set a pace throughout the school year that kept the entire squad "jumping."

The girls energetically cheered our boys on to victories in football, basketball, and soccer. The pep rally before the annual Thanksgiving game with Malden proved to be highly successful due to the vivacity of the cheerleaders.

Future Nurses Club

The Future Nurses Club has been organized to aid those students interested in a nursing career. It has welcomed several guest speakers who have shared their nursing experiences with the girls in the club. The club has also visited hospitals to see the functions and duties of a nurse, first hand. At the end of the year, the Future Nurses Club holds a banquet where a substantial scholarship is awarded to one of the girls.

With the aid of the advisor, Thomas Kerr, and the officers, the club participated in many trips. Field trips to different math centers were held. These and other activities proved both interesting and profitable for those who participated.

Key Club

The Key Club proposes to develop, by precept and example, a more serviceable citizenship. Other primary objectives of the Key Club are to uphold the school principles and to encourage higher standards in scholarship, in sportsmanship, and in social contact. The members of the Key Club have merited the esteem of the entire school.

MISS NEWMAN

The French Club is people meeting people. When a person walks through the door into our meetings, he is leaving the culture of the United States behind. French is our ultimate goal! At this moment French is the language we speak. The lectures given are intended to coincide with the topic highlighted for that particular assemblage. Slides are shown and experiences with the country of France are shared. A diversification of facts, figures, games, songs, plays, and even pastries lend to our atmosphere. Programs this year include a French Christmas party, a French film, a visit to the Hammond Museum in Gloucester, the Museum of Fine Arts in Boston, and a final banquet at a French restaurant.

Projection Club

The Medford High School Projection Club has been a great asset to all the departments in the school. The members of the club are very useful during class assemblies and department films when they run the audio-visual apparatus. They are instructed in the mechanics of all the lighting, sound, and stage equipment. The Projection Club at Medford High is an organization of which to be proud because of the prompt, willing service of its members.

Vocational Student Council

President: PETER DAMI
Vice President: GREGORY SAPOCHETTI
Secretary: KEVIN BARRY
Treasurer: DANIEL CAREY

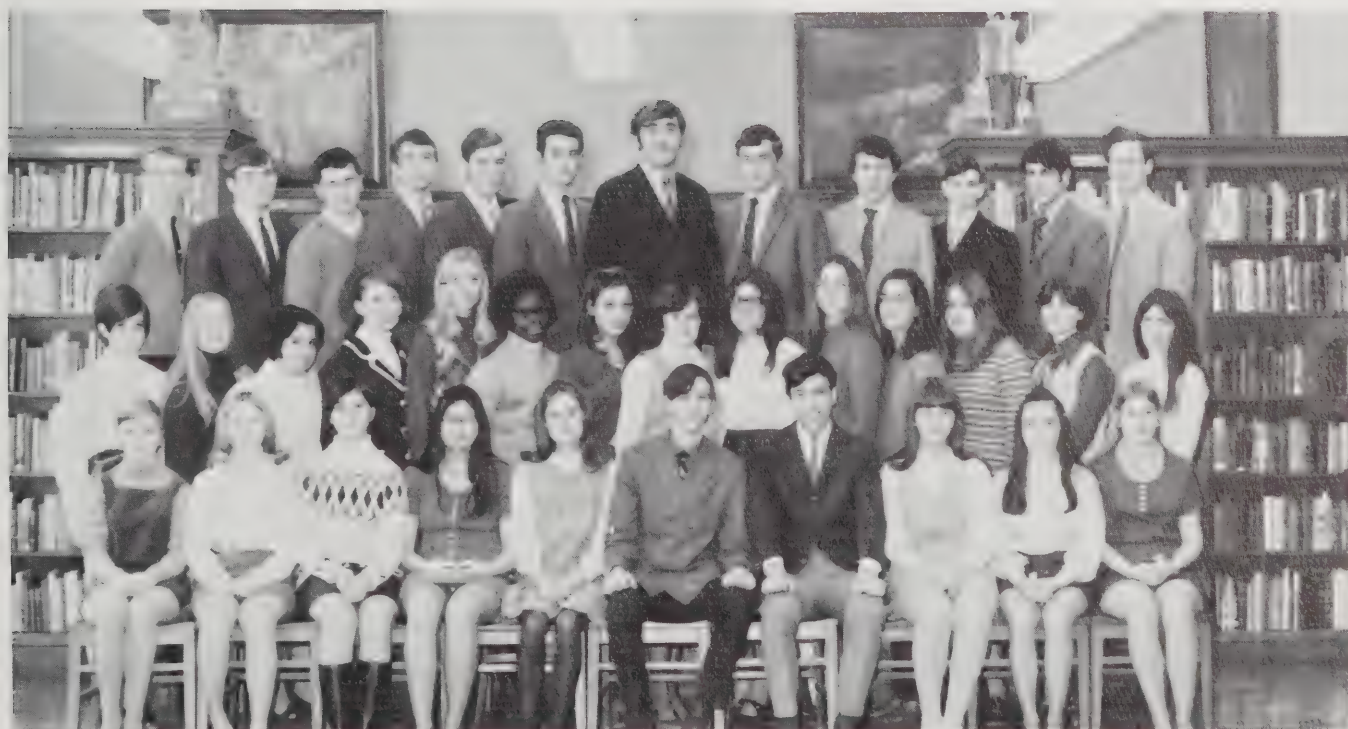

The Vocational Student Council is composed of elected members who represent the various departments in the school. This body serves as a means of communication and coordination between the administration and the student body of the school.

National Honor Society

The National Honor Society, a nationally recognized club, is noted for the high caliber of each of its members. The privilege of becoming a member of the Society is based upon high standards of scholarship, service, leadership, and character. During the year the club's activities are highlighted by the induction of new members, a procedure which is held in Chevalier Auditorium before the entire student body of Medford High School. To those who attain membership, this outstanding and extremely impressive ceremony is a deserved tribute to a most creditable and praiseworthy achievement.

The Pre-Med Club has been designed to introduce the student considering medicine as a career to the various fields of medicine — including the requirements, problems and challenges of each.

Membership in the Pre-Med Club is limited to seniors who have a background of Biology, Chemistry and Physiology. Varied activities of the club include guest speakers, demonstrations (such as the EEG. and EKG.) and field trips to the leading medical centers.

Pre-Med Club members have been able to observe the latest physiological techniques and procedures in treating neurological and cardiovascular diseases.

Junior Classical League

The Junior Classical League is a national organization composed of those students with a genuine interest for the culture of Ancient Greece and Rome. Under the direction of Mrs. Kavanaugh, the league holds discussions of the relationship of our society to that of ancient times. Plans start early in the year for the annual banquet where students dress in togas. This banquet is a fitting climax to the year's activities.

Mustang News

Meet the Press! Medford High School's student publication, the MUSTANG NEWS ranks high among the leading school newspapers. It has received a first place rating award from New England Press Association for outstanding journalism achievements, as well as special recommendations and honors for its excellent coverage of the holocaust which hit MHS some five years ago.

Editors have appeared on a discussion panel at Boston University reviewing "hot issue" reporting. A twenty-eight page super football edition jam packed with action photos along with an interview with a Representative of the House on the Massachusetts Drug Problem are a few publication highlights.

What attributes to the paper's success? Long hours after school, Saturday morning paste-ups, fund raising drives, and enthusiasm.

The Art Club consists of a group of students deeply interested in the Field of Arts, and who, for the most part, plan to pursue a career in art. They help out such school activities as the Football Dance, the Talent Show, and school proms by supplying them with posters. They also take part in art competitions such as the Boston Globe Art Contest and field trips to art museums, galleries and schools.

It's every man, or rather in this case girl, for herself at the Holiday Lanes in Medford, since the girls bowling club has done away with teams. The change in organization was made due to the difficulty in obtaining a fair team average when members of the teams were absent. The 14 energetic bowlers began rolling for strikes in January, and will continue to knock the pins down every Thursday for ten weeks. At the finish of the season the individual with the high single and the girl with the high 3-game series will be rewarded with trophies.

Leading the way at this writing are Linda Govostes and Denise Roberts with the two high singles, and Linda Govostes and Linda Pope with the two highest series.

The "M" Club is composed of all those athletes at Medford High School who have excelled in their particular sport. Becoming a member entitles a student to receive a sweater with appropriate letter in his sport.

The club raises money during the year by sponsoring several dances, in particular the Thanksgiving Night Dance. Trophies and awards are given at the annual Richard J. Phalen Memorial Banquet.

This past winter a group of daring M.H.S. skiers invaded the ski slopes. The Ski Club has become the largest coed activity at the school. Under the direction of Mr. Jodice, the skiers anticipate several trips to nearby slopes with a possible weekend excursion to Vermont in the planning stage at the present. Although the membership is comprised mostly of novices, the officers and advisor are looking forward to the day when the Ski Club will be the major resource for an experienced ski club.

Chorus

Mrs. Regina Matthews, director of the Choir, has done an excellent job in interweaving the many parts of the musical programs here at Medford High School. The group performs at many events during the school year and adds much to their success. The Choir is a strong part of the choraleers. These girls have classes once or twice a week and also attend choraleer rehearsals.

Folk Singers

The Medford High Folk Singers is a group which was organized a year ago and is presently under the direction of Mr. Patrick Melchionda. The Folk Singers have performed many times this year at the high school including the Christmas Party and other functions throughout the city. Rehearsals are twice a week. Membership is open to anyone who enjoys playing or singing folk music.

Band

Most members of our senior class will remember the Medford High School Band for its fine performances at the football games and the Thanksgiving rally. The Band continually inspired the student body and rallied the Mustangs on to numerous victories. However, the Band's musical season does not end at the close of the football season, for the winter and spring seasons are filled with concerts and parades. The Band brings its season to a close as it performs during Class Day and Graduation Exercises.

I. Thoughts about the hereafter

(or . . . Is there a life after graduation?)

Seriously, graduation isn't the end, you know. It's just the beginning.

And it could be the beginning of one of the most challenging and fulfilling times of your life. At New England Telephone.

It could be, that is, if you want a job with a challenge as big as your ambition. We need people at New England Telephone —

all kinds. People who are sincerely interested in the future.

And who are looking for more from their job than just work!

Your starting salary is good and you get automatic raises.

You don't need experience! Your advancement is tailored to your talents. And you get excellent fringe benefits.

II. See your Guidance Counselor

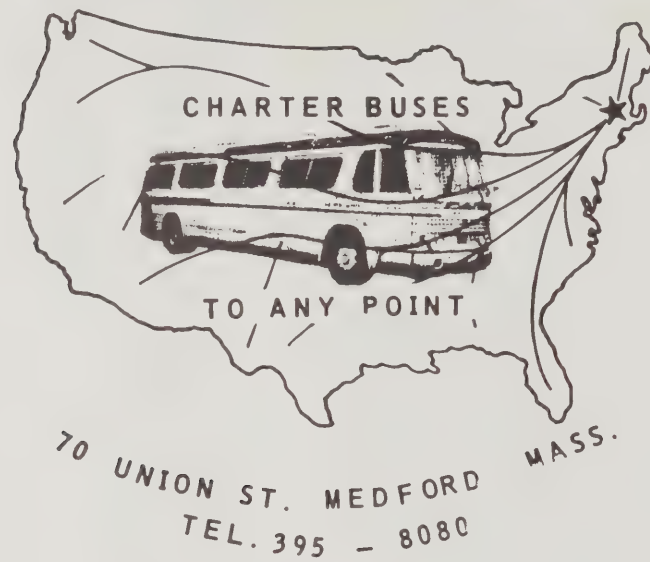

She'll tell you when and where you can apply for an interview to find out what the "hereafter's" like at
